Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 26 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy and wet.

Today:
A cloudy and wet start to the day, with rain pushing up from the southwest, this heavy at times. The rain will turn lighter and patchier later in the afternoon. Maximum temperature 7 deg C (45 deg F).

Tonight:
Any lingering rain will clear this evening, with low cloud breaking up. Mostly dry through the night with light westerly winds. Minimum temperature 3 deg C (37 deg F).

Wednesday:
It will be mostly dry but cloudy through the day tomorrow, although chance of the odd shower. Further rain arriving from the south late evening. Maximum temperature 6 deg C (43 deg F).

Outlook for Thursday to Saturday:
Cloudy and wet on Thursday, with rain heavy at times, this clears southwards Friday morning but cloud lingering into the afternoon. Dry with sunny spells on Saturday.
